**HOSTED SOLUTIONS FOUNDER PRESENTS AT MARYLAND ASSOCIATION
OF CPAs TECHNOLOGY CONFERENCE**

Byron Patrick will Moderate Discussion on the Aspects of Going Paperless

BALTIMORE, MD (12/8/08) --- Regardless of whether you work in a small local firm or national public company, the advantages of a paperless work environment are vast. But before jumping on the paperless bandwagon, you have to make sure you're properly prepared.

During a green initiatives seminar focusing on a paperless office, Byron Patrick, co-founder of Hosted Solutions, will be discussing his experiences of going paperless while heading up the IT department at an accounting firm, and various aspects to be aware of – from technology needs to the cultural shift within the office.

WHAT: MACPA Technology Conference Seminar on:
A Paperless Office

WHEN: Monday, December 8, 2008
TIME

WHERE: Sheraton Columbia Hotel
10207 Wincopin Circle, Columbia

TO ATTEND: Please visit for more details: www.macpa.org/

About MACPA Technology Conference

Designed for CPAs with an interest in computers, information technology and security - and those who consult with and advise corporate clients about their technology needs - this conference also provides a great opportunity to network with your peers and keep up with the latest changes in technology.
